After comparing the interest rates, monthly EMI, and total interest amount for all three banks, the best option overall is Left Join Bank. This is because the loan gets completed in just 5 years, and the total interest paid is only around ₹6.5 lakhs, which is the lowest among the three.

However, if we consider Mr. Hathodawala's monthly budget of ₹25,000 for loan repayment, then Y Axis Bank is a better fit. Its EMI is close to his budget, and the total interest is around ₹8.8 lakhs, which is lower than CBI Bank's ₹9.8 lakhs. Also, the loan tenure is 2 years shorter than CBI Bank.
